COMMITMENT

A TRIBUTE TO THE VISIONARIES

Sri Roop Chand Agarwal and subsequently his son Sri Ramji Lal Agarwal struggled hard throughout their lives to establish the ideals of “वसुधैव कुटुम्बकम्” They strived hard for the welfare of the society at large. They cherished the dream of inculcating moral values in the younger generation through exposure to proper education & ethics to develop this great nation. Thus, to fulfill the dreams of their ancestors, the present generation visualized and established Roop Chand Ramji Lal Education Trust.

SHRI ROOP CHAND RAMJI LAL EDUCATIONAL TRUST

VISION

Late Shri Roop Chand Agarwal

Goel Group of Institutions aims to provide quality technical and professional education for sharpening the technical & analytical abilities of its students.

We aim to provide full facility for their personality development and train them to be successful professionals as well as wealth creators for the country by enhancing their knowledge base, confidence and creativity for achieving the effective results.

MISSION

Late Shri Ramji Lal Agarwal

To bring together the creativity and zeal of rural and urban students and develop them to become successful professionals through imparting world class quality education at our institutes.

Motivate the students to realize their own potential, analytical and ethical capabilities using latest modern infrastructure facility in campus to become globally competitive professionals and worthy citizens of this great country, India.

PATH OF GLORY AND SOCIAL ACTIVITY

Although we do not rest on our past achievements we are immensely pleased with the amazing public support and media coverage over the years. It only means we are on the right path.

“हमें हर्ष है कि हमारे प्रयास सराहे जा रहे हैं”

“Social Work is the Art of Listening and the Science of Hope.”

SKILL DEVELOPMENT COURSES

“Goel Group of Institutions”

Er. Mahesh Agarwal (Goel)
Chairman

With the grace of god and blessings of our visionary grandparents Goel Group of institutions is now one of the leading educational groups in Eastern U.P. (India).

We believe that creating an academic foundation for social, cultural, scientific, economic and technological development in our Nation can mature into Global Interface by giving way to education exchange in the International territory as well. We aim at establishing bench marks in academic excellence and holistic grooming to help our students to meet the career challenges in the increasingly globalized economic conditions. Thus, Goel Group of Institutions has earned goodwill by our students and society at large.

Goel Group is committed to foster in its students, the pursuits of individual excellence and participate in full range of academic, spiritual, cultural, social and physical activities, and to make them evolve as all-rounder. College education is the foundation for all future possibilities in the life of a student. Also, quality education is a passport to steep rise in life and create practical avenues to attain financial gains. It provides golden opportunities to lead a life of dignity & prosperity. To achieve this goal, several add on courses, training in placement, personality development, communication skills, and other soft skills are provided by expert members.

Goel Group inculcates the development in all facets of life. Our team of dedicated and highly qualified faculty strives to widen the students' horizon of learning, thereby helping every student to taste success with high grades. In the short span of a decade in its existence, the group has been maintaining remarkably high percentage of pass every year. We take special care that our ideas are not merely discussed but executed. The college is also a venue of national, international and state level conferences, seminars & symposiums.

The placement scenario is also quite commendable as several premier companies visit our campus for recruitment. We acknowledge the students, parents, teaching and non teaching staff and society in general as our stake holders for their continuous support in taking this institution to greater heights. We never compromise on any part of our quality and our policy of providing technical education in international standards.

I am extremely pleased to welcome you all for being a part of this Family. I pray to the Almighty to bless you with a great future.

Er. Mahesh Agarwal (Goel)
Chairman
Goel Group of Institutions
Lucknow

“Goel Group of Institutions”

Murari Lal Goel
Vice Chairman

There is no better way to pay back to the society than providing the most desired and important infrastructure in the form of modern education.

Here at Goel Group of Institutions, we tend to build a resourceful individual out of a naive human, rendering them the wisdom which will lead to broader perspective of life.

Goel Group proclaims a powerful vision for the future of young people and has a deep understanding of responsibility to help shape their lives.

The academics and extracurricular activities, add a remarkable educational experience in student's life & I hope that we will also create the landscape of our campus which is lush green, sprawling and eco-friendly.

We are confident that in the years to come we shall equip our students with not only the basic knowledge of their concerned discipline but also a deep insight into it, so that they can stand on their own and achieve perfection in the careers of their choice.

Murari Lal Goel
Vice Chairman
Goel Group of Institutions
Lucknow

Dr. A. K. Bharadwaj
Director General

“Goel” Group of Institutions ENGINEERING

Success is not defined by reaching certain position or achieving certain goals, rather it is a path of continuous improvement by setting new records and aiming for sustained development. The journey of Goel Group of Institutions under RCRL Trust started way-back in 2008 with two institutions namely GITM and GIPS that imparted education to engineering and pharmacy students. The aim was that our students would serve ethically to the humankind and bring prosperity to the nation and thereby achieving success in their life.

Today our trust RCRL, is having six institutions and offering education from toddlers to Doctorate candidates in almost all fields with a capacity of more than 3500 students in Goel campus. Our students have been in top 10 in AKTU and BTE exams and had even secured first position in degree and diploma courses.

Our campus is ragging free and all our faculty and staff working hard to develop intrinsic skills of our students apart from sharpening their soft skills and team work in both technical and non-technical horizons.

Our students are performing well in academia and industries after passing out from GGI. Quite a few of them have been enhancing their research potential through prestigious IITs, CSIR and various other institutes. Our students have made us proud by serving national, international industries, public sector undertakings, NASA, Abott, Navy, Government Secretariat, Reliance, TCS and other acclaimed industries.

Every member of GGI from Administration, Faculty and Staff is committed to take GGI to new horizons in every field. Our Chairman, Er. Mahesh Goel is leaving no stone unturned to arrange latest technology and latest lab facilities for students and every faculty which ensures sustained support to every member for development of GGI.

Even in this tough time when our country and the whole world is fighting the deadly COVID 19 virus attack that has forced Government to suspend classes and laboratories, Our faculty and staff are providing on-line classes and 24x7 support to all its students.

I am sure all these efforts will go a long way in enhancing quality and career aspects of all incoming and already studying students to make them a successful and complete Professional.

Dr. A. K. Bharadwaj
Director General
Engineering Department

Dr. Rishi Ashthana
Director - GITM

“Goel Institute of Technology and Management”

Goel Institute of Technology and Management is on a fascinating path of growth and development. As it has completed 13 years of its establishment, it has evolved itself as one of the top technological institutes of the state.

Starting with, B.Tech. courses only, it has expanded in post graduate program in MBA, Mechanical, Electronics and Computer science and Engineering also. It has also facilitated the students to enter at diploma level in Mechanical, Civil and Electrical engineering disciplines.

The faculty at the institute is a good blend of young and experienced academicians and dedicated supporting staffs who work hard to develop students not only technically but also develop their intrinsic skills for overall personality development.

Institute's excellent infrastructure, latest technology labs and 50 Mbps internet facility round the clock helps the students to excel in their chosen field.

Institute is also having a Training and Placement cell which is continuously working hard to fill the gap between industry and institute by arranging various seminars and workshops and thus enhancing their scope not only in campus placement but also in jobs of their choice at large.

I welcome all the students entering in 2020-21. We look forward to build a long lasting and mutually beneficial relationship with you.

Dr. Rishi Ashthana
Director-GITM

Approved by Ministry of HRD, AICTE, New Delhi & Affiliated to Dr. A.P.J. Abdul Kalam Technical University (Formerly U.P. Technical University, Lucknow)

AKTU CODE: 360 Goel Institute of Technology & Management believes in imparting quality education to its students. The Institute has its quality procedures such as: Learning material Lab manuals, lecture notes and exposure of students to the information is available over Internet.

Salient Features of GITM

- ❖ Well qualified, experienced, research oriented and technically sound Faculties from eminent universities and institutes of national repute.
- ❖ Recognized as an official nodal center of Virtual Labs-IIT Kanpur (An MHRD Govt. of India Initiative).
- ❖ Research and Development on cutting-edge research areas like Artificial Intelligence, Big Data, Robotics, Mechatronics, Internet of Things, Renewable Energy, Wastewater Treatment, Genetic Engineering, Molecular Biology, Operations, HRM etc.
- ❖ Students get benefited with e-learning and online certified courses from various agencies like NPTEL, SWAYAM, ICT academy, IITs, NITs, TCS and spoken tutorials.
- ❖ Organizing Conferences, Seminars, Workshops, Webinars, Guest lectures and Industrial visits for technical, research and industrial exposure among students.
- ❖ Well equipped air-conditioned modern Laboratories and Central Library with large number of Books, Editorials and Journals for the best R&D purposes.
- ❖ Excellent infrastructure with upgraded Technical tools, Audio-Visuals, Smart Classrooms, Seminar Hall's and Auditorium for quality education.
- ❖ Students forum "ANKURAM" provides a platform to forecast talent in the field of cultural, sport or literary events.
- ❖ Organizing Annual Fest (NAVAL) with Cultural, Sports, Literary and Technical events to break the monotony of the class.
- ❖ Free high speed Internet and Wi-Fi connectivity, CCTV, RO Water supply, separate hostels for boys and girls with playground.
- ❖ Scholarship and hostel facilities are available for economically weaker students to help with their studies.
- ❖ Personality Development classes for better employability of the students.
- ❖ Strong collaborations and signed MoU with International and National reputed Academia, Industry personnel and the potential Employer's to enhance academic excellence and better job offers.
- ❖ Regular Meritorious and Rank holders in AKTU Examination.
- ❖ Excellent and consistent placement records in private, government and public sectors.

Prof. Devendra Agarwal
Dean (Academics)

Goel Institute of Technology And Management

VISION

To bring together rural and urban students providing them quality education to become complete professionals.

MISSION

To inculcate professional excellence in students with ethical and moral values.
To arrange and maintain state of the art infrastructure to excel in studies.
To nurture academic atmosphere to cater the needs of academics fraternity.
To enhance industry institute interaction with close relationship with alumnus.

Dear Students,

Since 2008 (inception year), we are providing quality education. Our sole mission is helping students to become **“competent technocrats and business managers who are also principled value-based leaders”**. We have succeeded in our mission by embracing a 100% interactive educational philosophy, which is practiced organisation-wide - by students and faculty.

GITM is a center of learning where young talent is nurtured in different fields of engineering and management. The major emphasis is on imparting technical training to encourage curiosity and innovativeness among the students and the foundation from where they can acquire quick learning ability and adaptively with the fast changing needs of the industry.

I am sure, you will enjoy your time here and it will be a great learning experience for you. We will work, learn and grow together and take the institute to the new heights in the academic field and maintain the highest standards with diverse cultural heritage.

Our faculty members are excellent in teaching and research, with frequent publication in top journals. They bring innovation and diversity to the classroom, which helps us deliver memorable learning experiences to students. In addition to that, students also get chance to interact with industry specialists and alumni, who help broaden their understanding about various concepts through their own experiences.

I am confident that our students would be an asset to any organization through their technical and managerial capabilities.

Prof. Devendra Agarwal
Dean (Academics) GITM

Mr. Brijesh Pandey

Ph.D. (Pur.), M. Tech, B.Tech

Goel

Institute of Technology And Management

Computer Science & Engineering and Information Technology

Courses Offered:

- B. Tech in Information Technology
- B. Tech in Computer Science & Engineering
- M. Tech in Computer Science & Engineering

Vision:

To provide a congenial environment for learning in discipline of Computer Science and Engineering, and to mobilize students towards serving a globalized technological society.

Mission:

- To ensure that every engineering student is proficient with necessary computer skills.
- To familiarize students with latest developments in Computer Science and Information Technology and motivate them to embrace all challenges and be future ready.
- To inculcate strong ethical values, research capabilities, professional behaviour and leadership abilities so as to work with commitment for progress of the nation.

Salient Features of Department:

- Qualified, Experienced and Technically sound pool of faculty members.
- Motivation to students with immense expertise and technical exposure in related fields such as Artificial Intelligence, Big Data, Cloud Computing, Machine Learning & Deep Learning.
- Best computation facility with high speed internet and Wi-Fi connectivity.
- Collaboration and conduction of various online courses, workshops & webinars with ICT Academy, NPTEL & Spoken Tutorial.
- Regular competitions under Computer Nerds a platform for the students to equip their knowledge in all fields, with best minds.
- Strong Alumni network, various working at top position in IT industry.

Laboratory:

- Qualified, Experienced and Technically sound pool of faculty members.
- Motivation to students with immense expertise and technical exposure in related fields such as Artificial Intelligence, Big Data, Cloud Computing, Machine Learning & Deep Learning.
- Best computation facility with dedicated internet and Wi-Fi connectivity.
- Collaboration and conduction of various online courses, workshops & webinars with ICT Academy, NPTEL & Spoken Tutorial.
- Regular competitions under Computer Nerds a platform for the students to equip their knowledge in all fields, with best minds.
- Strong Alumni network, various working at top position in IT industry.

Dr. Priyanka Jaiswal
(Ph.D, M.Tech, B.Tech)

Goel Institute of Technology And Management

Department of Electrical and Electronics Engineering

Courses Offered:

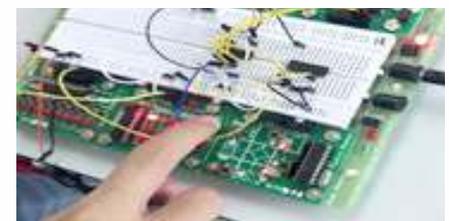

- B.Tech in Electrical Engineering
- B.Tech. in Electronics and Communication Engineering
- M.Tech in Electronics and Communication Engineering

Vision -

To provide enhanced technical education for transforming aspirants from various background at par with global level Electrical and Electronics engineer.

Mission -

- To impart quality education with practical knowledge in the field of Electrical and Electronics engineering.
- To ensure technically skilled engineers who serve future requirements of power sector and semiconductor industry, with ethical and moral values.
- To empower every student by exposing them a strong and positive learning environment by industry, academia and alumni interaction.

Highlights of Department:

- ❖ Highly qualified and experienced faculties from reputed institutes with high repute research publications
- ❖ Collaboration with different organizations like IEEE, IET, Tata Steel, TCS ion and UPPCL for strong foundation in training and research potentiality
- ❖ Prominence in development of higher order skills with strong emphasis on
 - Project based learning
 - Industry visits
 - Guest Lectures
 - Seminars and Workshops
- ❖ Excellent and Consistent Placement
- ❖ Certification courses from NPTEL,
- ❖ SWAYAM, NITs and spoken tutorial, (IIT Bombay)
- ❖ Meritorious position holders in GATE and AKTU Examinations

Laboratory:

- ❖ **Low Voltage Lab**
- ❖ Analog Electronics Lab
- ❖ Digital Electronics Lab
- ❖ Microprocessor Lab
- ❖ Communication Lab
- ❖ Microwave Lab
- ❖ Printed Circuit Board Lab
- ❖ Control System Lab
- ❖ **High Voltage Lab**
- ❖ Basic Electrical Engg. Lab
- ❖ Electrical Workshop Lab
- ❖ Electrical Machine Lab
- ❖ Power system Lab
- ❖ Power Electronics Lab
- ❖ Electrical Measurements and Instrumentation Lab
- ❖ **Software based Lab**
- ❖ Microcontroller & Embedded System Lab
- ❖ DSP/VLSI Lab
- ❖ Industrial Automation and PLC Lab
- ❖ Circuit Simulation Lab
- ❖ MATLAB

Shiv Kumar Tripathi
M.Tech (CAD) B.Tech

Goel

Institute of Technology And Management

Department of Mechanical and Civil Engineering

Courses Offered:

- B.Tech in Civil Engineering
- B.Tech in Mechanical Engineering
- M.Tech in Mechanical Engineering

Vision of Department:

To Excel in the emerging areas of Mechanical and Civil Engineering by imparting knowledge, relevant practices and inculcating human values to transform the students to cater the needs of industry and society

Mission of Department:

1. To provide strong fundamentals and technical skills in Mechanical and Civil Engineering through effective teaching-learning Methodologies.
2. To transform the lives of the students by fostering ethical values, creativity, and innovation to become Entrepreneurs and establish Start-ups.
3. To provide an ambience for research through collaborations with industry and academia.
4. To inculcate learning of emerging technologies for pursuing higher studies leading to lifelong learning.

Silent feature of Department:

1. League of well qualified and experienced faculties from reputed colleges and various publications in reputed journals.
2. Key thrust areas:
Mechanical Engineering:
 - Mechatronics · Robotics · Artificial intelligence · AutomobileCivil engineering :
 - Concrete Durability · Experimental Soil Mechanics · Wastewater Treatment
3. Several Meritorious students including Gold medalist in AKTU University Examination.
4. Students selected in various all India examinations like UPSC , GATE , IES etc.
5. Various interactions with industry and academia personnel to enrich young minds through:
 - Industrial Visits · Seminar · Guest Lectures · Workshops
6. Promoting Participation of Students in National and State level competition and various University level Events.
7. Strong links with organization like ASME , SME , ACM , Tata Steel, Ultra Tech Cement for Training and Research.
8. Online Certification courses from NPTEL, SWAYAM , IIT's, Auto Desk etc.

Laboratory

Mechanical Engineering:

- Mechanical Workshop
- Fluid Mechanics and Fluid Machinery Lab
- Applied Thermodynamics Lab
- Measurement and Metrology Lab
- Material Science and Testing Lab
- Heat and Mass transfer Lab
- Theory of Machine Lab
- Automobile and IC engine Lab
- Mechanics of Solid Lab
- Engineering mechanics Lab

Civil Engineering:

- Building Material & Construction Lab
- Concrete Technology Lab
- Geotechnical Engineering Lab
- Transportation Engineering Lab
- Non-Destructive testing Lab

Software Based Labs:

- Simulation Modelling and Analysis Lab
- Computer Integrated Manufacturing Lab
- Computer Aided Machine Drawing Lab
- AutoCad and SolidWorks Lab
- Staad Pro Lab
- MX Road Lab

Dr. Rajan Kumar Singh
Ph. D., M. Tech, B. Tech

Goel

Institute of Technology And Management

Department of Biotechnology Engineering

Course Offered:

- B.Tech in Biotechnology Engineering

Vision of Department:

To create skilled engineers who can innovate, invent and spread knowledge, especially for the welfare of the society and the environment.

Mission of Department:

- To create young biotechnologists for bio-industry who contribute towards growth of the nation through research and development.
- To inculcate the principles of bioethics, safety regulations with strong moral and ethical values among students.
- To expose and bring students at par with needs of the biotechnology industry.

Highlights of Department:

- ❖ Well qualified faculties from eminent universities with proven track records of research publications.
- ❖ Strong links with many organizations like CSIR, ICMR, ICAR, Biocon, GenScript for training and research aptitude.
- ❖ Vigorous interactions with academia, industry personnel and clinicians to boost young minds through:
 - Organizing Seminars & Conferences.
 - Workshops, Webinars and Guest lectures.
 - Industrial Visits.
- ❖ The current trend of research includes: Molecular biology, Genetic engineering, Genetics, Plant biotech, Bioinformatics, Immunology, Bioprocess technology and Food microbiology.
- ❖ Excellent and Consistent Placements.
- ❖ E-learning and online certified courses from many agencies like NPTEL, SWAYAM, IITs, TCS etc.
- ❖ Meritorious and rank holders in AKTU examination.
- ❖ Personality Development classes are conducted for overall growth and better placements of the students.

Laboratory:

- ❖ Genetics & Molecular Biology Lab
- ❖ Genetic Engineering Lab
- ❖ Biochemistry & Analytical Techniques Lab
- ❖ Microbiology & Immunology Lab
- ❖ Food Biotechnology Lab
- ❖ Plant Tissue Culture Lab
- ❖ Bioprocess & Fermentation Lab
- ❖ Bioinformatics Lab
- ❖ Nano-Biotechnology Lab

Dr. Atul Kumar

M.Sc. Ph.D. (Maths)

Post Doc Fellow (NBHM, DSKPDF)

Goel

Institute of Technology And Management

Department of Applied Sciences & Humanities

Vision-

To impart quality education and focus on the highest level of general development, as of a device, technique, or scientific field achieved at a particular time in engineering physics, engineering mathematics, engineering chemistry, communication skill and mini projects to meet the dynamic global challenges and nurturing positive attitudes.

Mission-

- To be a student-centric department imbining experiential, innovative and lifelong learning skills and develop understanding about societal needs and problems at the outset of a professional life.
- The best possible efforts to ensure that the students gain the proper technical skills along with the life skills, which helps them to face the world confidently and with high self-esteem.
- To draw the best expertise in science, mathematics, skills so as to equip students with the skills to visualize, synthesize and execute projects in these fields.
- To work towards all round development of students with a smiling face and helping hands.
- To inculcate ethical values of professionalism.

Highlights of Department:

Highly qualified and experienced faculties with good research publications.

Online Certification courses from NPTEL, SWAYAM, IIT'S, etc.

- Developing Soft Skills and personality
- Enhancing Soft Skills and personality

Strong foundation and grooming of students through

- Induction Program
- Motivational Lectures
- Seminars
- Workshop

- ❖ Promoting Participation of students in National and State Level competition and University Level Events.
- ❖ To establish a strong foundation among students Applied Sciences & Humanities plays vital and pivotal role as it touches the basics of entire engineering subjects.

Laboratory:

- ❖ Applied Physics Lab
- ❖ Applied Chemistry Lab
- ❖ Communication Lab

Dr. Jyoti Agarwal

Ph.D., MBA, M. Com.,
B. Com. & B.Ed.

Goel Institute of Technology And Management

Master of Business Administration (MBA)

MBA (Dual Specialization)

(Marketing Management, Human Resource Management, Finance Management, International Business Management, Information Technology and Operations Management)

Vision of Department:

To enhance the managerial abilities of the students with holistic approach for Global Employment and Entrepreneurship.

Mission of Department:

- To facilitate and promote excellent learning through knowledge dissemination and training.
- To promote conducive ambience of learning, growth and professionalism in both students and employees.
- To inculcate Social corporate responsibility in students, so that they serve the society to the fullest.

Highlights of Department:

1. League of well qualified and experienced faculties from reputed institutes with several publications in reputed peer reviewed journals.
2. Development of higher order skills with strong emphasis on
- Case studies in all functional areas, - Critical thinking, - Focus on Problem Based Learning, - PPT presentations, - Management Games, - Quiz & Role Play,
- Industry Interface,
- Guest Lectures,
- Summer Internship Programs,
- Concurrent Industry Projects
3. Placements in Amazon, JP Morgan, ICICI Bank, Reliance and many more.
4. Online Certification courses from NPTEL, SWAYAM etc.
5. Promoting Participation of Students in National and State level competition and various University level Events.
6. Meritorious positions in AKTU Examinations.

MBA @ GITM

- ❖ Centrally AC Class rooms with Projectors.
- ❖ E-Classroom
- ❖ Seminar Hall
- ❖ Auditorium
- ❖ Excellent computation facility with relevant software's.
- ❖ Well equipped library with updated book & journals.

J. S. Verma
Principal - Diploma

Goel

Institute of Technology And Management

POLYTECHNIC

UPBTE CODE : 2291

It is my great pleasure and pride moment to welcome you all to Diploma Engineering (GITM, Lucknow) in GGI campus run by RCRL Trust having a long-standing reputation in providing professional and technical education with scientific insight and social commitment.

Department of Diploma (Polytechnic)

Diploma Engineering a unit of GITM plays a vital role in infrastructural development through scientific innovation. It aim is to provide students with industry or job-related engineering knowledge, scientific skills focussing on practical and skills-oriented training. Diploma Engineering helps to create and protect the world that we live in by delivering a sustainable constructed environment to enhance the quality of life for present and future generations. And to accomplish it, we have a team of highly qualified faculty, hard-working staff members, and visionary management and thus we can inspire and empower our students to become a technocrat in real sense by delivering theoretical knowledge with practical experience.

Our beloved former Hon'ble President Dr. A. P. J. Kalam said I quote **“All technological advancements we have today are the outcome of scientific exploration of scientists of earlier centuries. At no time, man was beaten by problems. He strives continuously to subjugate impossibility and then succeeds”**

COURSES OFFERED

SN.	BRANCH	DURATION	SEATS	ELIGIBILITY
1.	Diploma in Civil Engineering	3 Years	150	10 th Pass
2.	Diploma in Electrical Engineering	3 Years	75	10 th Pass
3.	Diploma in Mechanical Engineering	3 Years	75	10 th Pass
4.	Diploma in Civil Engineering (Lateral Entry)	2 Years	24	12 th (Science)/ ITI Pass
5.	Diploma in Electrical Engineering (Lateral Entry)	2 Years	06	12 th (Science)/ ITI Pass
6.	Diploma in Mechanical Engineering (Lateral Entry)	2 Years	06	12 th (Science)/ ITI Pass

Dr. Shailendra Kumar Shukla
Vice-Principal (Diploma)/
Proctor GGI

For diploma the evolution of it, as the past seven years has witnessed strong blend of state-of-the-art infrastructure and intricately intertwined human resource committed to provide professional education with thrust on innovation, scientific-technical skills with problem solving techniques. And I feel proud to be a part of Goel Group of Institutions having glorious past twelve years of academics, sports and other cultural events under one roof which has carved a niche for itself among the best diploma institutes affiliated to B.T.E, Lucknow (UP). Since the inception, the aim has been to produce high quality technocrats in collaboration with ethical values, aesthetic taste to become an Indian in true sense.

Since the day I took charge to perform my duties as a Proctor of Goel Group of Institutions also Vice-Principal (Diploma), my aim has been very clear to maintain law & order situation in the premises to build conducive atmosphere for students, faculty, staff members so that everybody can take this opportunity to learn and grow and make the most of it ultimately leading into a fabulous carrier for all.

As I am of the opinion—

"A desire can change nothing, a decision can change something but a determination can change everything".

DIPLOMA AT A GLANCE

Since inception, the aim of diploma is to produce high quality technocrats with innovative skills & vibrant knowledge. And to achieve this goal we, with the help of our visionary management along with highly qualified, experienced and dedicated, hard working faculty & staff members who are working 24 X7 to ensure quality education to the students through modern technique teaching skills. For it we have all modern amenities such as high-tech classrooms with white board & projector facility, well equipped labs with all instruments, modern library, ultra high tech computer lab (centrally air conditioned) and work shop to enhance their technical, scientific skills, thinking skills, entrepreneurial skills, interpersonal and communication skills within analytical framework. We have also Wi-Fi facility, lush green field and courts (basketball and Volleyball) and sport equipments for all sorts of sports to develop and inculcate sports man spirit in our students.

ACADEMIC EXCELLENCE

- Ms. Ritika Verma (Civil Engineering - 2017) secured FIRST rank in all over UP.
- Mr. Vishnu Gupta (Civil Engineering - 2019) secured SECOND rank in all over UP.

Dr. Satyawan Singh
Director General

“Goel Group of Institutions” PHARMACY

Pharmacy is a multi disciplinary course comprising of the application of chemistry, biology, mathematics, statistics, computer applications, biochemistry, molecular biology, cell biology, chemical engineering, etc. Over the last few years due to phenomenal growth and advancement of science and technology, the field of pharmacy and drug discovery program have considerably changed and developed.

The College of Pharmacy has been established with a mission to provide course of study and prepare trained manpower in the field of Pharmacy, Pharmaceutical Sciences and to integrate the knowledge of medicine, clinical sciences and drug discovery system for patient care and cure. It is designed to be a self-reliant campus with all basic amenities and resources.

It enables the students to develop strong foundations in bio-sciences and related subjects simultaneously improving their applicability in the various stages in medicine discovery and production. A perfectly conducive learning atmosphere has an unique integration of the ingredients suiting the requirements of contemporary pharmacy education scenario. The faculty members are a careful assortment of people with knowledge, experience and expertise who have demonstrated their capabilities in their past academic endeavors.

The institute is emerging as a center of excellence providing advanced facilities including herbal garden. The infrastructure and facilities are designed to produce graduates in development, production, discovery and research related areas. The curriculum will also include such other curricular, co-curricular and extracurricular activities as prescribed by the University from time to time.

I am confident that our pass-out students will be capable to face the challenges in their respective professional career and being a Pharmacist they will do the necessary social service for the nation being a part of the responsible Health Care System of our country.

Dr. Satyawan Singh
Director General
Pharmacy Department

Dr. Amresh Gupta
Director GIPS

Goel Institute Of Pharmacy and Sciences

Dear Friends,

I heartily welcome you all at Goel Institute of Pharmacy & Sciences a prestigious institute situated in heart of the city, Lucknow, Uttar Pradesh. The institute is committed to develop dynamism, strong human value, technocratic and good leadership qualities in all our students with a team of well experienced, highly qualified and dedicated faculty. I am happy to inform that institute has completed its 12 glorious years. The idea of putting the foundation of an educational institution was so inspiring that a planted sapling is now all grown into a large tree. In these golden years institute has carved out its own niche in various fields of pharmacy and our students have excelled in the university as well as competitive national level examinations.

The present is changing rapidly, as a result the demand of industry is also changing continuously. Institute has very strong links with the industry and continues to receive generous support from various organizations that proves to be of immense value in arranging training and placements for the students to strengthen their technical & personal skills. We believe in motivating the students to realize their own potential, analytical and ethical capabilities using up-to-date infrastructural facility in the campus to become a globally competitive professional and worthy citizen of our great country, India.

It is very difficult to believe that what was once dreamed is being fulfilled now. I am enthusiastic to maintain a goal to develop the blend of extraordinary and smart students studying in this institution from each and every corner of the Uttar Pradesh, as well as to organize different kind of job opportunities in various organizations for the enhancement of career prospectives "Ragging free campus". It is my pleasure to invite you people who are the young minds of today and the responsible citizens of tomorrow at Goel Institute of Pharmacy & Sciences, Lucknow.

Dr. Amresh Gupta
Director-GIPS

(Approved by Ministry of HRD, AICTE, & PCI, New Delhi and Affiliated to Dr. A.P.J. Abdul Kalam Technical University (Formerly U.P. Technical University), Lucknow and Board of Technical Education, Lucknow)

“If you want to sing the saga of success, then think of us”

AKTU CODE: 392

BTE CODE: 2722

Vision

“Is to compelling an image of an achievable future”

Goel Institute of Pharmacy and Sciences, under the umbrella of Goel Group of Institutions provide excellent educational environment with dedicated faculty and management for creating world class quality professionals for the various fields of pharmacy viz. education, research, industry, hospital and other health care system to serve the humanity and nation.

Mission

The mission of Goel Institute of Pharmacy and Sciences is to provide a comprehensive and progressive education that prepares pharmacists to assume an active role in providing skilled ethical and compassionate patient care that improves the health and quality of life. The institute achieves its mission by maintaining a community active and creative scholars devoted to the discovery, integration and dissemination of knowledge in the clinical and pharmaceutical science.

Goel Institute of Pharmacy & Sciences, Lucknow is located in the heart of the city and far from hustle and bustle free environment was established in the year 2008 with four year **Bachelors program in Pharmacy (B. Pharm)**. Institute is affiliated to Dr. A.P.J. Abdul Kalam Technical University, (AKTU), Lucknow & approved by the AICTE and Pharmacy Council of India (PCI), New Delhi. The institute started the **Master Program in Pharmacy (M. Pharm.)** in 2012 Approved by AICTE & affiliated to Dr. A.P.J. Abdul Kalam Technical University, (AKTU) and **Diploma in Pharmacy (D. Pharm)** in 2017. The D. Pharm is affiliated to Board of Technical Education, Lucknow.

Batches have passed out with excellent academic records and most of the students are working in various well known pharma industries in Quality control, Production and pharma marketing.

Students of the institute have formed a technical forum “Pharma Pharazers”. The aim of the forum is to develop a sense of devotion towards their profession by organizing various blood donation camps, hospital training, industrial visit, Industrial Training and rural visits for awareness of health etc.

An age-old career, pharmacy is continually opening new vistas in the medical field. Globally pharmacists are providing excellent support for patient health management system, new drug development and have become the pillar in health management system. Goel Institute of Pharmacy and Sciences is dedicated to nurture the future pharmacist who can work for the sake of nation through imparting high quality job oriented education and training. We make the rigorous fusion of practical & theoretical knowledge to enhance the education of students with emerging new world.

VISION

- To establish as a leading “centre for excellence” in the are of “Pharmaceutical Education and Research” and create globally efficient professionals to serve healthcare needs of the society.

MISSION

- To produce efficient professionals catering to the needs of Industry, Academia, Research and society.
- To contribute our humble share to ensure the well being and to reduce the suffering of mankind.

Dr. Rohit Singh
Head of Department

DEPARTMENT OF PHARMACEUTICAL CHEMISTRY (M. Pharm)

Pharmaceutical Chemistry course content is methodically designed to prepare the students for a career in academia as well as the pharmaceutical industry. Additionally the program empowers students to continue to pursue higher studies and research activities. The syllabus of the postgraduate program provides theoretical knowledge in a variety of topics related to drug design, advanced topics in medicinal chemistry, organic chemistry, process chemistry and analytical techniques in their academic career. The practical exercises that have been framed help the students to get practical skills in diverse areas like analytical techniques, drug synthesis, natural product isolation, physicochemical properties, separation techniques, etc. Seminars are part of the training program and it provides the opportunity to develop good communication and presentation skills. The students are allowed to carry out dissertations in the industry as well as reputed National laboratories.

DEPARTMENT OF PHARMACEUTICS (M. Pharm)

Pharmaceutics is one of the disciplines in the pharmacy, which deals with formulation of a pure drug substance into dosage form. Programs lead to specialization in formulation development, manufacturing technology and process development areas, which are essential specializations for manufacturing of traditional and novel drug delivery systems. It involves theoretical and practical sessions in the following areas, dosage form design, advanced pharmaceutical method of analysis; drug regulatory affairs, biopharmaceutics and pharmacokinetics, dosage form technology, advances in industrial pharmacy, and novel drug delivery system; projects touch upon formulation development, stability studies, and process validation for traditional and novel drug delivery systems with research methodology.

Dr. Arpita Singh
Head of Department

Dr. Rohit Mohan
Head of Department

DEPARTMENT OF PHARMACOLOGY (M. Pharm)

This Program leads to specialization in pharmacology, which is an integral part of the drug discovery and drug design processes. These processes deals with identification of lead molecules that could have potential therapeutic activity due to specific molecular and receptor affinity, and analogous structure to specific sites and proteins in the body. Program covers theoretical and practical sessions in the subjects molecular pharmacology; general pathophysiology; pharmacology and pharmacotherapeutius, clinical research methodologies, advanced pharmaceutical methods of analysis; drug regulatory affairs, quality assurance and biostatics and other subjects, several projects that are aimed at developing and exploring novel receptor targets, and mechanisms for drug action in the pathophysiological stages of the disease.

**LU COLLEGE
CODE : 164**

Dear Friends,

We offer the courses of BBA, BCA, B.COM. & B.COM. (Hons), BFA and BVA. GIHSM primarily intends providing an ideal platform for the students to channelize their creative outburst and lend expression to their thoughts and views on various aspects in a sensible manner.

In this era, the corporate world demands individuals who are not only skilled but are innovative thinkers and are confident to face everyday challenges.

We focus on potential of every student and prepare them to cope up with the high level of performance in the contemporary stressful corporate world .We inculcate in the students the habit of lateral and innovative thinking, reading habit, research orientation, decision making capability along with nurturing and developing physical and mental strength to sustain and excel under any situation. The students are groomed by well qualified skilled and experienced teachers GIHSM aims transformation of students into successful professionals. The NSS unit of the collage frequently organizes social welfare programs and special camps every year giving ample opportunities to students for service and self development in social interest.

Dr. Santosh Pandey
Principal - GIHSM

(Affiliated To Lucknow University, Lucknow)

BBA-

The 3 years Bachelor of Business Administration (BBA) programme is designed to offer knowledge and training in management and leadership skills to students. This course is open to students from all the three streams: Science, Arts and Commerce. BBA Prepares the student for numerous job opportunities like Marketing, Education, Finance, Sales, and Government to name just a few. Aspirants who have completed their Class XII (10 + 2 level) in any stream from a recognised educational board or university can pursue BBA.

BCA-

Bachelor in Computer Application (BCA) is an equivalent course to b.tech or B.E in computer science. BCA program provides in-depth knows of computer, IT, software's and various computer languages which makes a student job ready for IT sector. After the successful completion of 3 years BCA program, a student will be able to choose from numerous career options in various fields like Software development, ITES, Banks, Education, Government departments etc. Any student with Maths as a subject in class 12th can opt for BCA program.

B.Com-

Bachelor of Commerce (B.Com) is an undergraduate course that is completed over a duration of three years. B.Com, students are equipped with the knowledge about aspects that impact business and trade such as accounting principles, economic policies, export and import laws, etc. B.Com is one of the most sought course after class 12th. The course covers a number of subjects during its study period. B.Com mainly focuses on Accounts, Mathematics and Economics.

(Affiliated To Lucknow University, Lucknow)

B.Com Honors

Just like regular B.com, B.Com Honors is also an undergraduate program that is completed over a duration of 3 years. The level of study of B.Com (Hons) is higher than the regular B.Com. B.Com honors includes specialized subjects whereas B.Com. regular course has general subjects. The subjects in B.Com (Hons.) are in detail as compared to regular B.Com. B.Com (H) is the ideal choice for CA and CS Aspirants.

Bachelor of Fine Arts (BFA)

The course is also available in the form of a Bachelor of Arts in Fine Arts or BA Fine Arts which is an undergraduate Fine Arts course. BFA course duration is three years course. It is an ideal course undergraduate degree for candidates seeking a professional education in the visual or performing arts. Some eminent BFA degree jobs comprise of artist, graphic designer, textile designer, illustrator, painter, animator and many more.

Bachelor of Visual Arts (BVA)

is undergraduate degree in which students major in any one of the disciplines of their interest like visual arts, photography, creative writing, sketching, clay modelling, computer graphics etc. A BVA course can be chosen by any candidate who has a creative instinct and wishes to build his/ her career in the field of art. The course offers students all the theoretical as well as practical knowledge needed to build a successful career in the field.

Dr. Akash Ved
Director

“Goel Institute Of Pharmaceutical Sciences”

“Director's Message

It gives me immense pleasure to utter few words about the credentials of our college. As the needs of society and the profession change, the college explores new programs to better prepare upcoming pharmacists for an expanded role in the health care profession. The continuous changes in responsibilities and scope of practice of the pharmacists demand a serious commitment to life-long learning. In order to handle this arduous task, our college has excellent group of faculty who are highly qualified and intrinsically motivated. They leave no stone unturned to mould the career of our students.

In the era of global technological transformation in the field of Pharmacy, there is ever increasing need for high quality education and research institutions for producing highly trained professionals. To fulfill this dream we promote high quality education, training and research in Pharmaceutical science, produce competent pharmacist with entrepreneurship and innovative skills.

We regularly engage our students in activities such as seminars, guest lectures, workshops so as to keep our students abreast with the latest developments in the field of Pharmacy and related areas of healthcare industry. In order to nurture the talent among our students and prepare them as socially responsible individuals we carry out various social and cultural activities at our campus.

Our Training & Placement Cell is in close liaison with academia and industry for shaping careers of students. Our Institute shall continue to strive towards becoming a centre of excellence in Pharmaceutical Education and RESEARCH.

We would be more than happy to have you at our institute any time so that you could know more about our allegiance to Pharmacy education.

Dr. Akash Ved
Director-GIPS

(Approved by Ministry of HRD, AICTE, & PCI, New Delhi and Affiliated to Dr. A.P.J. Abdul Kalam Technical University (Formerly U.P. Technical University), Lucknow and Board of Technical Education, Lucknow)

AKTU CODE: 960

BTE CODE: 2119

Vision

To establish as a leading “centre for excellence” in the area of “Pharmaceutical Education and Research” and create globally efficient professionals to serve healthcare needs of the society.

Mission

- To produce efficient professionals catering to the needs of Industry, Academia, Research and society.
- To contribute our humble share to ensure the well being and to reduce the suffering of mankind.

Goel Institute of Pharmaceutical Sciences was established by the Roop Chand Ramji Lal Education Trust. It is located near the heart of the city and far from hustle and bustle free environment. It has started its first academic session from year 2019 with four year Bachelors program in Pharmacy (B. Pharm) and two years Diploma program in Pharmacy (D. Pharm). Institute is affiliated to the Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow & approved by the AICTE, Pharmacy Council of India (PCI), New Delhi and Board of technical education (BTE), UP. The aim of the forum is to develop a sense of devotion towards their profession by organizing various blood donation camps, rural visits for awareness of health etc.

We are committed to the betterment of the students. We organize regular workshops, seminars, field work and industrial visits. The students are given individual attention and the laboratory infrastructure is sufficient to cater to the needs of the students. Institute has intellectual, dedicated and highly experienced faculty members for the academic progress of the students. The College is equipped with all the modern instruments and machinery to provide the best practical training to budding pharmacists. It also provides a healthy academic atmosphere to the students to achieve their goals.

Dr. K.S. Shukla
Head of Department

“ COURSES For Undergraduates B. Pharm ”

A bachelor in pharmacy (abbreviated B. Pharm) is an undergraduate academic degree in the field of pharmacy. In many countries, this degree is a prerequisite for registration to practice as a pharmacist. It is analogous to MBBS vs. MD where MBBS is foreign equivalent of MD. It is training to understand the properties and impacts of medicines and developing the skills required to counsel patients about their use. B Pharm holders can work in several fields such as being a pharmacist, patient counseling, doing further studies such as master's degree, working in a university as a lecturer, or working as a drug information specialist. In some countries, it has been superseded by the doctor of pharmacy (Pharm D) and Master of Pharmacy (M pharm) degrees. In the united states, this degree was granted as the baccalaureate pharmacy degree only at washington state university, where it has now been superseded by the pharmd degree. The degree previously offered in the us—and the required degree in canada—is the bachelor of science in pharmacy.

“ COURSES For Diploma in Pharmacy D. Pharm ”

Mrs. Namrata Singh
Head of Department

In India, Diploma in Pharmacy (often shortened as DPharm or DPharma) is an entry-level tertiary pharmacy credential. It is obtained following two-year of training. Students can enroll in the course after successfully completing higher secondary education in science stream with physics, chemistry and either biology or maths as subjects. After obtaining the diploma, registration with the pharmacy council is required to be a registered pharmacist. A D.Pharm holder can also enroll for a professional (undergraduate) degree course of bachelor of pharmacy via lateral entry scheme. A Diploma holder can be employed as a registered pharmacist in a hospital or pharmacy dispensing drugs and pharmaceuticals. It is mandatory that at least one person employed in a pharmacy be a qualified and registered pharmacist.

What should you expect from a degree in B.Pharm or D.Pharm at Goel Institute of Pharmaceutical Sciences?

- Learn from internationally certified expert faculty
- Get an opportunity for student exchange in a top global university
- Seminars, presentations, education yours, Guru lectures, summer internships, open electives, clubs, festivals, events and much more
- Campus placements at top pharma companies

LABORATORIES

"All laboratories are in sync with the demands of each course. Spacious well lit and fully equipped learning areas make it a pleasure to acquire knowledge."

- Pharmaceutical Chemistry Lab
- Human Anatomy and Physiology Lab
- Pharmacology Lab
- Pharmacognosy Lab
- Pharmacy Practice Lab
- Biochemistry and Microbiology Lab
- Pharmaceutics Lab
- Computer Lab
- Machine Room
- Central Instrumentation Facility

Education is not preparation for life; Education is life itself

CAREER OPPORTUNITIES AFTER B. PHARM AND D.PHARM

- Clinical research associate
- R& D scientist
- Quality control associate
- Formulation development associate
- Drug inspector
- Food inspector
- Scientific writer
- Sales & marketing executive
- Community pharmacist
- Pharmacovigilance associate
- Drug analyst
- Pharma counselor
- Hospital pharmacist
- Production manager
- Academics (Teaching/ Research/Training)

Arun Gakhar
Director Administration

“Goel Group of Institutions”

It is indeed a pleasure for me to connect with you through this medium. Goel Group of Institutions (GGI) is different from the rest in its approach to education and in its pedagogies. We have unique and creative ways of teaching and learning methodologies. The prime focus of the Institution is on converting conventional techniques into exceptional by developing various planned activities and specified objectives for achieving success in all spheres of technical education.

Goel group of institutions was established in 2008 well equipped with modern infrastructure and provision for upgrading the same to keep up with the pace of technological advancement in the educational field.

A lush green campus of 25 Acres with separate boys and girls hostels, facility of vehicles for staff and day scholars, 24 hours powers supply duly supported by solar energy back up and round the clock security arrangements. The Institute has well ventilated class rooms and laboratories. Internet facility of 100 mbps round the clock helps the students to excel in their chosen field. GGI is not just an educational institution; it is an experience to reminisce through a lifetime.

Arun Gakhar
Director Administration

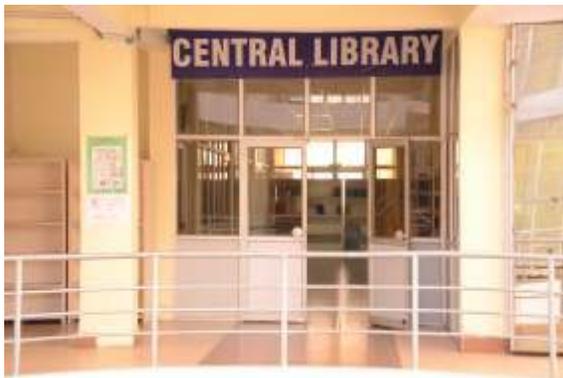

AMENITIES

CENTRAL LIBRARY

Library is the back bone of an educational institution. The Central Library of GGI is a repository of knowledge. Our library is the lifeblood and nerve Centre of GGI which shoulders a great responsibility in harnessing the utilization of the information. Distributed in a wide area and is bloated with a marvelous collection of books and literature. Another feature of our Library that augments to its value is the digital library domain which is the part of the main central library itself. It features several computer nodes that are embedded with ready soft reference material for students and teachers.

The library at Goel Campus is more like Integrated Knowledge Resource Centers that are stocked with more than 35000 books in total; periodicals, references, national and international journals, covering all aspects of academic studies and research materials. For the convenient working our central library has ultra modern software which helps to maintain proper records & documentation. The library is also has "E-Library" Section which have the facility of e-books and e-journals.

The book bank facility provides reference and basic knowledge of text book to the students of Group. Having laced with contemporary technology and centralized air-conditioned hall gives suitable atmosphere to our students for their sound study.

COMPUTER LAB

To comply with the state of the-art infrastructure Goel Institute of technology and Management has made available over 500 personal computers equipped with the latest softwares connected to the latest accessories and services and other gadgets. The Labs are equipped with latest soft ware's which include different Language Compilers, Operating Systems, Visual Studios, and packages for academics and administrative Purposes. The Labs are fully air conditioned with Wi-Fi internet facility having bandwidth more than 50Mbps. The Higher bandwidth facilitates students for the webinars/NPTEL Courses and time to time Prime Minister Address the students about various academic and professional updates.

Goel Institute of technology & Management are equipped with high-end servers and workstations. All the resources at College are upgraded frequently to ensure that students are finely tuned to current trends in the World of technical advancements. Every student gets at least 15 hours time per week for hands-on computing experience as part of a guided learning session under the supervision of an expert faculty member.

AMENITIES

SEMINAR HALL/CONFERENCE ROOM

GOEL GROUP has nicely designed seminar halls & Conference rooms which are fully Air-Conditioned. These are Equipped with modern latest audio-video technological facilities which gives our young generation a glimpse of the professional world. Large assembly's functions, extension lectures, rehearsals and presentations of various curricular activities are organized.

AUDITORIUM – “GOELPLEX”

Goel Campus boasts of an ultra-modern air-conditioned auditorium with a seating capacity of 1000. The newly built auditorium of our Institute is fitted with high quality modern furniture, latest equipment like PA system, multimedia LCD, Wi-Fi Internet facility, Audio-Visual aids, cinemascope projector and cinemascope screen.

PLAYGROUND

Along with wide variety of sports & cultural/ intellectual activities contributing to Goel Institutes' sparkling life, we have a fine custom in sports. We have earned a status for success in intercollegiate competitions and tournaments, sometimes teaming up with other colleges. We provide indoor and outdoor sports facilities including athletics, badminton, football, volleyball, table tennis, basketball, cricket etc. Students participate in Sports with great enthusiasm.

Our Campus has a gymnasium with most modern equipment so that students can work out in the morning & evening to gain freshness. We organize Sports events on yearly basis for the students in the campus. Students participate in all the events with full enthusiasm. Institute sponsors Trophies, Shields and Cups apart from sponsoring prizes for Winners to encourage various games & sports.

AMENITIES

CRICKET ACADEMY

Run by Ranjee Trophy Player, Goel Campus has an in-campus professional cricket academy. Goel provides the best cricket coaching center in Lucknow where we train GOELians and outsiders alike. The world class latest equipment prepares the players for professional cricket tournament at state and national level.

ON CAMPUS RESIDENTIAL FACILITY

Separate Ultra Modern Hostels for Boys and Girls are available in the campus. All Rooms are spacious, well ventilated, illuminated, air-cooled & well furnished. All 4-Seater&3-Seater and single occupancy rooms have traditional common bathrooms with hot water facility. Each Hostel has aRecreation Room with Television and Indoor Games facility.

Residential Facility is to be offered on First Come First Serve basis, or otherwise as decided by the Institutes. The location of the Residential Facility, floor and room pattern are subject to change from time to time.

Healthy food is prepared under the supervision of the administrative staff. Students keep themselves fit by playing games like Cricket, Football, Badminton, Basketball, Volleyball, Table Tennis etc. Well Equipped Gymnasium is also available in the campus. 24 X 7 power backup and Wi-Fi internet connectivity supplements the hostel life. The whole campus is under CCTV surveillance and active team of Security Staff Hostel and Mess charges include daily three meals, Wi-Fi internet, 24 X 7 power backup, Gymnasium and other hostel amenities.

IN HOUSE MENTOR SUPPORT

The residential students get after-hours guidance and support of their Faculty & staff, in case they need any academic or life advice.

SAFE AND SECURE CAMPUS

The Institute is committed to zero tolerance to ragging, alcohol, smoking, drugs and disciplinary misconduct. A majority of security personnel, security guards, bouncers & Gunmen accordingly to regulate entry & exit to residential facility & other campus as well. There is also a police out-post adjoining the College Campus.

AMENITIES

CONTINUOUS MONITORING THROUGH CCTVS

Goel Campus security department provides the necessary electronic security support system with around 100 CCTV cameras for the safety of the students and staff & amenities.

CANTEEN

While the mess provides with great food, students also love to hang out at the affordably priced two well-furnished cafeteria of about 2000 sq. ft. that houses healthful and yummy snacks for food cravings breaks or for those memorable celebrations after winning a cricket match! So be it study breaks or staying back on campus during winters, GOEL's amazing canteen and coffee lounge ensure that the students NEVER GO HUNGRY!

POWER BACKUP

The Institute has three large capacity generators of its own and uninterrupted power supply is available 24 hours for a nonstop efficient working of the campus which bear the load of all classrooms, labs, offices & other common areas.

TRANSPORTATION

Deluxe buses are available for students to provide them better and comfortable conveyance facility from each corner of the city. AC buses are also available for the Staff & Faculty.

AMPLE PARKING FACILITY

Parking facility may be availed by Day scholars as well as residents/students, faculty & staff.

CLEAN & GREEN ENVIRONMENT

GOEL Campus is one of the greenest campuses in our city. Goel campus has been awarded by state government for its NO TO PLASTIC philosophy. The greenery makes for a great learning environment and promotes creativity, to support green environment we celebrate our foundation day as Green day & we plant every year more than 500 plants in campus.

AMENITIES

MEDICAL ASSISTANCE

The campus has a 24 hours medical assistance & tie-up with nearby hospital(s) to manage all sort of unavoidable emergencies.

BANKING & ATM FACILITIES

The Institute has a tie up with Nationalized Banks. This allows the opening and operation of accounts for every student through cheque book or debit cards. The bank is operating its own ATM machine and with an extension counter at the campus.

The Bank of Baroda has a fully fledged bank with core banking network, ATM and internet banking facility within the campus is within the campus of Goel Group of Institutions. It offers all type of banking services to the staffs and students. Moreover we have two ATMs of Tata (Intex) & Bank of Baroda at our main Entrance gate.

BANK LOAN ASSISTANCE

The Institute has set up separate loan assistance to enable the students, at the time of admission, to obtain loans from banks for which we issue Education Loan Letter to the concerned students.

MEDICAL CAMPS

The Institute organizes in-campus camps at regular intervals to spread health awareness. Apart from this Blood Donation Camps at regular basis organized by the Institute & our students, faculty & staff takes part with full enthusiasm.

24 HOURS HELPLINE

For any kind of assistance we have 24 hour helpline number facility **+91-9696000444**.

PROFESSIONAL COMMUNICATION LAB

In today's competitive age it becomes almost mandatory for all students to be perfect at communication. The institute helps the students to achieve the same and has set up a lab especially designed to improve the communication skills at individual level.

Practical, interactive, easy to learn manner sessions, help the students hone their communication skills with the help of software, stereophonic aids, projector screens, etc. The prime objective of the lab is to facilitate teacher- students' interaction for focused & productive language learning session.

AMENITIES

WORKSHOP & ADDITIONAL WORKSHOP

Workshop is well equipped with Lathe Machines, Shaper Machine, Milling Machine, Drilling Machines, Tool & Cutter Grinder, Power Hacksaw Machine, Welding Machines (Electric & Gas), Wood Working Lathe Machine, Hand Shear Machine, Foundry, Forging, Carpentry, Sheet Metal Shops & all the necessary tools, vices etc.

EXTRA-CURRICULAR ACTIVITIES

Goel Group always takes out spare time to celebrate from the busy teaching schedule. Various events are organized, giving the students an opportunity to display their hidden talent on Foundation day, Teacher's Day, National Festivals, Religious and Annual Cultural, Technical & Sports meet named "NAVAL".

Naval is celebrated over a week period at the beginning of even semester. It comprises of various events like Sports, Literary, Technical and Cultural. The purpose of "NAVAL" is to extract interesting and innovative ideas from students. The participation of students in these events helped them in all round development beyond focusing on academic excellence.

AMENITIES

SWIMMING POOL

The swimming pool provides the best recreational facilities to the students at Goel Campus. The pool facility can be used separately by boys and girls under the guidance of experts.

“ANKURAM”- The student Forum

Ankuram the Student forum is a unique feature of our college that provides a platform to the students to develop their inner talents and nurture them. It also helps them to enrich their personality by creating in them a sense of team spirit and co-operative groupwork, leadership qualities, self-confidence, discipline, commitment, imagination and creativity etc.

Ankuram is one of the crucial committee responsible to generate the jazz factor during the student college life. At Ankuram we believe that a college should have its equal share of fun and frolic along with the academic curriculum. A large number of students go through several rounds of selection to be a part of Team Ankuram.

TEMPLE

In the middle of campus, stands a magnificent Temple in the grace of Lord Ram. GOELians proudly call it “RAM DARBAR”. The temple marks the soul of Goel Campus and is an architectural marvel.

“Goel Group of Institutions”

Akanksha Gupta
Head
M.I.S. / Admission Cell

ADMISSION / M.I.S. DEPARTMENT

Dear Prospective Applicant,

Warm Greetings from Goel Group of Institutions Admissions Office and thank you for choosing our Institution as an option for your ward's education.

The Programme offered at GGI enables you to scan the competitive environment for opportunities & build a progressive plan to ensure that you are authoritative and confident to follow your chosen career.

If you are looking for a high-quality teaching learning process & a place which is dedicated to quality education, a dynamic & an innovative curriculum shaped by real world issues and all of this in a inspiring atmosphere of mutual learning & support, Goel is the place for you.

The Admission cell is available to listen to all your concerns & put you at ease. At Goel we provide a safe, secure environment in which every student will acquire the skills and knowledge necessary to become accomplished & productive citizens of the ever-changing Global community.

Akanksha Gupta
Admission Head / M.I.S. Manager
Goel Group of Institutions

COURSES OFFERED

The Goel Group of Institutions offers wide range of courses:

- B. Tech., M. Tech., B. Pharm., M. Pharm., MBA is approved by AICTE, Ministry of HRD, PCI, New Delhi & affiliated to Dr. A.P.J.A.K.T.U.UPTU, Lucknow.
- BBA/BCA/B.COM/B.COM.(H)/BFA/BVA affiliated to Lucknow University
- Diploma Courses are affiliated to Board of Technical Education, U.P., COURSEBRANCHESDURATION

SCHOLARSHIP

In order to encourage the performance of the students, institute provides scholarship at the time of admission to the meritorious students. Goel Group conducts its own scholarship examination "RCRL Talent Search Examination". This examination is conducted in various schools & colleges. In this examination, successful students are awarded scholarships in the following manner:

RCRL Talent Search Examination (PCM)

1. Candidates securing top ten rankings will be awarded following fee scholarships:

SCHOLARSHIPS			
RCRL Ranking	Scholarship (Free) Tuition Fee (I Year)	For admission in courses	Scholarship (Free) Tuition Fee (II Year onwards)
I	100% (Free)	B.Tech./B.C.A.	Same scholarships for II Year onwards up to completion of course on the basis of ranking in preceding Year for All Categories.
II	50% (Free)	B.Tech./B.C.A.	
III	40% (Free)	B.Tech./B.C.A.	
IV	30% (Free)	B.Tech./B.C.A.	
V	25% (Free)	B.Tech./B.C.A.	
VI to X	20% (Free)	B.Tech./B.C.A.	

RCRL Talent Search Examination (PCB)

1. Candidates securing first ten ranking will be awarded following fee scholarships:

<ul style="list-style-type: none"> ➤ First Position : Rs.10,000/- ➤ Second Position : Rs.7,000/- ➤ Third Position : Rs.5,000/- 	}	For admission in B.Pharm.	<ul style="list-style-type: none"> ➤ First Position : Rs.25,000/- ➤ Second Position : Rs.20,000/- ➤ Third Position : Rs.15,000/- 	}	For admission in B.B.A./B.Tech. (Biotech. Engineering)
---	---	------------------------------	---	---	--

Terms & Conditions

- Above scholarship to be adjusted in student's fees at the time of admission in Goel Group of Institutions, Faizabad Road, Lucknow.
- Admission in particular course should be allotted as per availability of seats on first come-first serve basis.
- Student must be eligible as per affiliating university norms and Govt. orders.
- For admission, the candidate having "Certificate of Appreciation" can directly approach under Management Quota or through competitive examinations like UPSEE or any other qualifying examination etc.
- First ten candidates in each examination will be awarded certificate of appreciation.

For Counselling (UPSEE) Students		
Course	Rank	Scholarship
B.Tech.	1 to 10,000	31,000/-
	10,001 to 20,000	21,000/-

REGISTRAR DEPARTMENT

I, J.G. Sinha uphold the registrar's office at Goel Group of Institution which successfully completed 19 years of selfless service in the field of technical education. We strive to inculcate a sense of responsibility among individuals and expand the horizons of knowledge enabling your mind to explore their potential. Our endeavors are sheer action of a committed faculty. I understand the importance and vitality of time and assure untiring support and guidance. Let us all put in our best to achieve and mission and vision of Goel Group and create history.

Jai Gopal Sinha

Registrar

I, Manjul M Srivastava uphold the office as the Dy. Registrar at Goel Group of Institution since 2010.. With vision of Goel Group of Institution i.e. nurturing arcadia of professionals we, committed to academic excellence, eternal human values and social concern to enable young minds to understand their potential.

On behalf of the Goel group and from my desk, I assure support and guidance, to all individuals associated with the Group

Manjul Mayank Srivastava

Dy Registrar

ROLES & RESPONSIBILITIES

1. Enrollment of newly admitted students
2. Examination of students
3. Benefit of Scholarship and fee refund under various scheme run by Government to students
4. Record keeping and personal file preparation of students

Enrollment of newly admitted students in UG/ PG/ DIPLOMA Courses

Students admitted in UG and PG courses, get admission in Institute through Counseling and directly in Management Quota/ Vacant seats after counseling process. All newly admitted students to be get enrolled in University as per the time schedule given by University. Although we prepare our own working calendar as per academic calendar given by university and follow the same. For the enrollment of newly admitted students we follow the below mentioned process.

Examination of students

Every year/Semester we prepare the list of student appearing in semester examination with detail of regular subject/carryover paper subject also co-ordinate with examination center for the smooth conduction of examination.

Personal file & record keeping

We prepare personal bill newly admitted student every year at the time of admission & ask the student to submit all original /photocopy of students latest by 15 Aug.

We kept all personal file year wise/course wise/roll no wise copy of notice/letter issued to student if any.

Benefit of Scholarship and fee refund under various scheme run by Government to students

Scholarship and Fee refund benefit schemes run by U.P.State Govt & Central Govt. are as below.

1. Samaj Kalyan Vibhag – for Gen/SC/ST Students having family income less than 2/2.5 lakh/year
2. Other Backward Dept-for OBC Students having family income less than 2.5 lakh/year
3. Minority welfare Department- for Minority Students having family income less than 2.5 lakh/year
4. MOMA Central Govt. Scheme- for minority students having family income less than 5 lakh/year

We fill institute relevant detail on different department website for master data & get verified by concerned Govt. officials.

We inform and educate the students for the same and Student meeting with the criteria may apply for the scholarship and fee refund. For the same student apply online and submit the hard copy of application with all relevant documents to the registrar office. Institute scholarship committee check and recommend the application on individual basis to the registrar office.

As per the recommendation, registrar office forwards the application to the concerned departments.

All these process done as per the time schedule given by different government welfare departments which starts tentatively from July to September every year accordingly.

We do regular follow-up with different department till students get scholarship benefits and also inform to the students regarding various notice and updates issued by departments.

We keep records of all application in our record for audit purpose done by different departments.

Amit Anand Agarwal

Dy. Director

(Corporate Relation & Placements)

“Goel Group of Institutions”

The training & placement cell of Goel Group of Institutions, Lucknow handles campus placement of B.TECH, M.TECH, Diploma (Engg), D.PHARMA, B.PHARMA, M.PHARMA, BBA, BCA, B.COM and B.COM (H), BFA, MBA students. The placement cell provides complete support to visiting companies at every stage of placement process. Arrangement for pre placement talks, written tests, online test, GD and interviews are made as per the requirement of visiting companies. The cell has modern infrastructure facilities for receiving various companies in the campus.

The department is geared up to provide its quality services not only in employment to students during studies, but also their employability through well planned and organized training and personality development programme and their development to face the corporate world. The cell also organizes industrial visits, tours/webinars, guest lectures, group discussions and mock interviews as part of career guidance and personality development.

It gives us immense pleasure to see our students scaling new heights in their career's, the advent of which is through campus recruitment. The team placement works day out to ensure that the best of the corporate visits us to recruit our students and thus ensuring that a right foundation is given to the students.

So far, Goel Group of Institutions has offered more than 1400 students in 120+ odd companies either by inviting companies for the campus drive or arranging the off-site interviews. Students from not only Goel Group of Institutions but from various other colleges have participated in the open pool campus. The highest package offered so far is Rs. 6.50 LPA.

“Goel Group of Institutions FAMILY”

The faculty and staff of the Goel Group is a blend of youth and experience. They are qualified, dynamic and passionately committed towards the all round development of their students. All are easily accessible and eager to help and guide the students both in and outside the classroom. Professors orchestrate discussion and activities, urging students to exercise their analytical skills, stretch their imagination to reach a deeper understanding of issue and devise creative solutions.

Faculty serves as advisors to field study groups, individual research projects and also in students' club & forums.

Students who are the soul of the family have rose to occasion and made us proud during last couple of years. They have secured University Rank in consecutive years.
